**This is the Red Hat Printtool
PostScript Test Page**

**This logo has a red hat, so
if your printer is configured for
color it should be red!**

**Here are some other colors; they
will appear as greys on a B&W printer...**

**The boxes bordering this page
are spaced at 0.5" and 1"
from the sides of the paper.**

**It is not unusual for the 0.5" bottom margin
not to show. Many printers cannot
print that close to the bottom of the page.**
